Who are The Dollar Detectives?

The Dollar Detectives Society (TDD) is an innovative, youth-focused, not-for-profit, social purpose organization. Our primary vision is to deliver fun, experience-based finance lessons that enhance youth's financial confidence, leadership, and sense of self-determination. Our holistic program is uniquely designed to support the overall well-being of young people.

Our Purpose

Delivering quality education in meaningful ways to help eliminate economic inequality.

Our Mission

Empowering youth through quality education to build the relevant skills needed for financial resiliency and to confidently navigate financial setbacks.

What is ElevateUP?

ElevateUP Career Mentorship Program is a 12-week finance centered mentorship program providing quality education and skills to prepare young people like yourself for Canadian workplaces and job market.

Our innovative and responsive programming is based on extensive research and industry expertise. In partnership with the Government of Canada and community partners, TDD co-created a research based, hands-on and experience-based program that equips you with the knowledge, competencies and transferable skills you need for the workforce.

By joining ElevateUP, you are joining a new generation of professionals who possess the technical knowledge, human skills, innovation and drive that will propel your career and the finance sector forward.

What is Your Investment?

Tuition: Special rate of \$1500 for entire program. Please check individual course rates on our website.

Time: 3 hours of one-on-one-instruction, 2 hours optional mentorship and 1 hour optional self-paced learning per week. Program is 12 weeks.

Dates & Locations: Visit website <https://www.thedollardetectives.com/shop/>

How Do You Enroll in ElevateUP?

Our courses and certificate are open to anyone. There are no formal admission requirements or prerequisites.

Who Should Take This Program?

ElevateUP is a specialized mentorship-based program suitable for young people, career changers, newcomers, diverse learners, equity-deserving individuals and youth transitioning from high school.

This program prepares students for entry-level finance roles and is suitable for:

- New Canadians, Immigrants and Racially Diverse Communities
- Indigenous, First Nations, Inuit or Metis Communities
- Nontraditional Learners (early leavers from high school, single parents etc.)
- Neurodivergent Individuals (ADHD, Dyslexia, learning differences etc.)
- Vulnerable and at-Risk Individuals
- Persons Managing a Disability or Medical Condition
- Women, Gender or Sexual Minorities
- Between the ages of 18 to 30
- Interested in learning about the financial services industry.
- Interested in exploring career options and enhancing career readiness skills.

No financial or business experience needed!

What Will You Learn?

ElevateUP offers a Client and Professional Services Certificate through five courses and a final capstone project spanning twelve weeks in a blended format (in-person, online, and/or community-based).

Health, Wellbeing and Life teaches essential life skills, including goal-setting, healthy habits, communication, self-care and conflict resolution.

Working in Finance and Other Professional Environments teaches professionalism, Canadian work etiquette, organization and critical thinking.

Equity, Diversity & Inclusion fosters inclusive mindsets, discussing bias, diversity, and equity to create inclusive workplaces and empower advocacy.

Financial Fundamentals shifts mindsets towards saving, covering personal finance concepts like budgeting, investing, credit, taxes and fraud.

Career Essentials Toolkit hones job application skills, resumes, cover letters, networking, hidden job market and understanding employee rights.

Student-Directed Capstone Project enhances research, innovation, leadership, and presentation skills through a self-directed project.
