About The Dollar Detectives Society

The Dollar Detectives is an innovative, youth-focused, not-for-profit social enterprise. Our primary vision is to deliver fun, experience-based finance lessons that enhance youth's financial confidence, leadership, and sense of self-determination. Our holistic program is uniquely designed to support the overall well-being of youth ages 13 to 25.

About G.I.F.T

We want our youth to have an edge in life and get ahead financially. A financial gift of education can do just that. The Dollar Detectives' G.I.F.T program provides the opportunity to help a special young person learn to better manage their money and build long-term wealth. G.I.F.T offers supporting adults a meaningful way to honour a special young person or a way for community to "Pay It Forward" and put a deserving young person on the road to financial freedom!

What Does G.I.F.T Include?

Our G.I.F.T program provides:

- Enrollment into their preferred life skills program (Money Mystery, Skills for Life or Learning a Living).
- A perfect experience-based gift for a special emerging adult or post-secondary bound grandchild.
- Exclusive invitation to VIP events, your G.I.F.T comes with a customized message and e-card.
- A skill and hands-on gift perfect for youth transitioning away from home or from junior to high school.
- A meaningful way to support youth where finances are a barrier to attend a program of their choice.
- Opportunity to contribute and put a deserving youth on the road to financial success and freedom.
