

LEARNING A LIVING PROGRAM

Age
(15 to 18)
year old

PROGRAM

Young adults learn strategies to create a spending plan, explore employment and entrepreneurship strategies, plan their post-secondary education, prepare to live on their own, how to use credit wisely and shopping strategies to save money. We put what we learned to practice through hands-on activities and community experiences. Our program is Inclusive and designed for different learning styles blended with lots of fun, prizes and gifts!

MODULES

- **Budgeting** - Young adults learn ways to save, how to create a spending plan and strategies to accomplish their financial goals.
- **Earning** - Young adults are equipped with resources and information to be able to earn money through employment or starting their own business.
- **Education** - Young adults explore educational pathways that will lead them to a rewarding career.
- **Living on Own** - Young adults learn tools to transition from from their family home and live more independently.
- **Skills for Life** - Young adults practice skills such as grocery shopping and preparing a meal on a budget.

A certified nutritionist will be present to support nutrition and meal prepping.

Our Learning a Living program allow youth to practice essential skills such as
