Who are The Dollar Detectives?

The Dollar Detectives Society (TDD) is an innovative, youth-focused, not-for-profit, social purpose organization. Our primary vision is to deliver interactive, experience-based financial and employment courses that enhance youth's financial confidence, leadership and sense of self-determination. Our holistic program is uniquely designed to support the overall well-being of young people.

Our Purpose

Delivering quality education in meaningful ways to help eliminate economic inequality.

Our Mission

To prepare and empower today's young people through quality programs with the relevant skills needed for financial stability.

What is ElevateUP ProSkills?

ElevateUP ProSkills Program is a 8-week client services program providing quality education and skills to prepare young people ages 18 to 30 for Canadian workplaces and the job market.

Our innovative and responsive programming is based on extensive research and industry expertise. In partnership with the Government of Canada and community partners, TDD co-created a research based, hands-on and experience-based program that equips young people with the knowledge, competencies and transferable skills you need for the workforce.

By joining ElevateUP ProSkills, young people will join a new generation of professionals who possess the technical knowledge, human skills, innovation and drive that will propel their careers and the client service sector forward!
